

# Mr. Pascal's Summer Reading Program 2019

**This year's theme:**

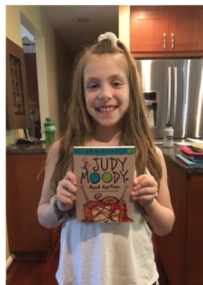

**The Summer Reading Program is so easy!  
Everyone can participate...**

- ◆ Over the summer, read, read, read, read, read!
- ◆ Have someone take a picture of you holding the book you liked best from your summer reading.
- ◆ Write *at least* one sentence telling why you liked it.
- ◆ Bring your picture and sentences with you during the first week of school.
- ◆ We'll hang all the pictures. Each student who brings one will be eligible for a lottery with a special prize...

**Here's a sample:**

I liked Judy Moody because she always has fun adventures. In this story she had a bad picture day, and she wishes that her mom and dad would understand her. Her brother Stink always annoys her, and that reminds me of me and my older brother Evan.
