

# Specials Choice Board

Volume 7- January 11-29, 2021

On Mondays when we don't see you on Teams, you can choose to do one or more of the activities below. Have fun!

Your Tuckahoe Specialists

## Art

Cozy Drawing Space:

Gather your blankets, pillows, stuffed animals. etc. and make a little fort. Climb inside and draw a picture from your new cozy space!

## PE

**Have fun doing this Fitness Yahtzee game**

[Push this button to get to the game](#)

## Music

Turn your home into a musical scavenger hunt! How many things in your home make music or sounds? List all objects that have a steady beat (e.g., the microwave timer), and those that don't (e.g., running water).

## Library

Find a friend or family member who lives far away, and pick a book you can both read. When you finish, have a phone/video call to talk about it!

## Mashup!

Try combining two of the activities on the board.

Ex. Try writing a song and draw a picture, read a book, or do a movement activity with the same subject!

## STEAM

Follow these [directions](#) to make a symmetrical snowflake model from paper.

## Music

**Take a walk:** walk around your house (or you can take a walk outside, with a grown-up). As you walk, listen carefully for different sounds you hear. Make a list of the sounds you hear using drawing or words. What is making each sound? Are the sounds high or low? Are they loud or soft?

## PE

Have fun with "Can't Stop the Feeling" dance
