

Specials Choice Board

Volume 10- March 15-26, 2021

On Mondays when we don't see you on Teams, you can choose to do one or more of the activities below. Have fun!

😊 Your Tuckahoe Specialists

Art

Be an inventor!
Come up with an idea for a new invention and draw your design!

PE

**Try this
St. Patrick's
Day workout.**

Video

Music

Make your own 4 beat body percussion pattern (you can snap, clap, stomp, click, pat, etc.). Perform as an accompaniment to a song. Body percussion can be made with a partner (your sibling or a parent)

Library

Find a book about springtime! Go outside and see how many spring-related things you can find from the book in real life.

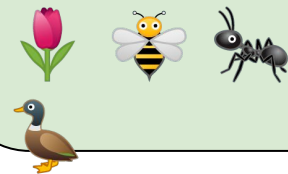

Mashup!

Try combining two of the activities on the board.

Ex. Try writing a song and draw a picture, read a book, or do a movement activity with the same subject!

STEAM

Look for early signs of spring with this [Nature Scavenger Hunt!](#)

Music

Compose a song using Sol, La, and Mi pitches. Practice playing your song on virtual xylophone. The website is attached below. Make changes to improve your song. You can share your song in your music class.
